## Institutional Research and Planning Data Request Form

If you are unable to find the information you are looking for from our webpage, please complete this request form. The staff of the Institutional Research and Planning Office encourages you to discuss data needs on the telephone and/or in person before completing a data request form. However, data requests are completed only when submitted through the official form. Please allow two weeks to complete data requests. All requests will adhere to the guidelines set forth by the Family Educational Rights and Privacy Act (FERPA).
