Outcome Measure #1: The Number of Program Completers

In the chart below, please indicate the number and percentage of program completers for the three most recent academic years. Note: the percentages across each row must add up to 100%.

Academic Year	Number of program completers	% of program completers who were attending full-time (at the time of completion)	% of program completers who were attending part-time ¹ (at the time of completion)

Outcome Measure #2: The Program Completion Rate

What is the published timeframe for full-time candidates to complete the early childhood program(s) included in this Self-Study Report? (Please indicate in terms of the number of academic years; e.g., five semesters would be 2.5 academic years.) 2

Program Name: Child Development

Academic year in which a Fall cohort of full-time candidates enrolled in the program (select three sequential years)	Percentage of those candidates who completed the program within 150% of the published timeframe	Percentage of those candidates who completed the program within 100%, 200% (twice) or 300% (three times) of the published timeframe (Please circle, underline or bold the indicator above on which the program will report.)

2017-2018	75%	25%

A program may (but is not required to) insert below a short narrative description (150 words) of the data reflected above to provide context. For 2019-20, two of the candidates completed the program at 200% while the two candidates completed the program with 250% of the published time frame. Most

candidates continue at the University to complete their bachelor's degree which may result in a longer completion time of their associate degree.
