Failure to complete this form will delay the processing of your aid

Name:	LU Student ID: A
Date of Birth:	Phone Number:

The contributors' reported 2024 tax filing status is inconsistent with the contributors' reported FAFSA marital status. Although the reported tax filing status may accurately reflect the contributor tax filing status for the 2024 tax return, we are required to verify this information.

According to the IRS, a taxpayer must use a tax filing status of married filing jointly or married filing separately if they are married or considered married on December 31, 2024. If you were "unmarried" or "considered unmarried" on December 31, 2024, your tax filing status is single, or if you have a qualifying dependent you may file as head of household.

Note: Unmarried contributors living together must provide BOTH contributors' 2024 tax return transcripts.

Additional documentation or corrections to the FAFSA may be required to resolve these discrepancies. Please verify the following information.

1. As of the date the FAFSA was completed, what was the contributor(s) marital status (Select One)? For example, if mother is married to stepfather, but divorced from bio father, indicate "married" and update the FAFSA with stepfather's information)

   ☐ Never married
   ☐ Unmarried and both contributors living together
   ☐ Married or remarried (Date of marriage _____)
   ☐ Divorced or separated (Date of divorce or separation _____)
   ☐ Widowed

2. For the 2024 tax year, what was the contributor(s) Tax Filing Status?

   ☐ Single
   ☐ Head of household Married–
   ☐ Filed Joint Return Married–filed
   ☐ Separate Return Qualifying
   ☐ Widow(er)
   ☐ Don't Know

3. If your marital status does not match your 2024 tax filing status, explain why:
