

How to Find Your Banner Pin:

1. Log into your Langton.edu account

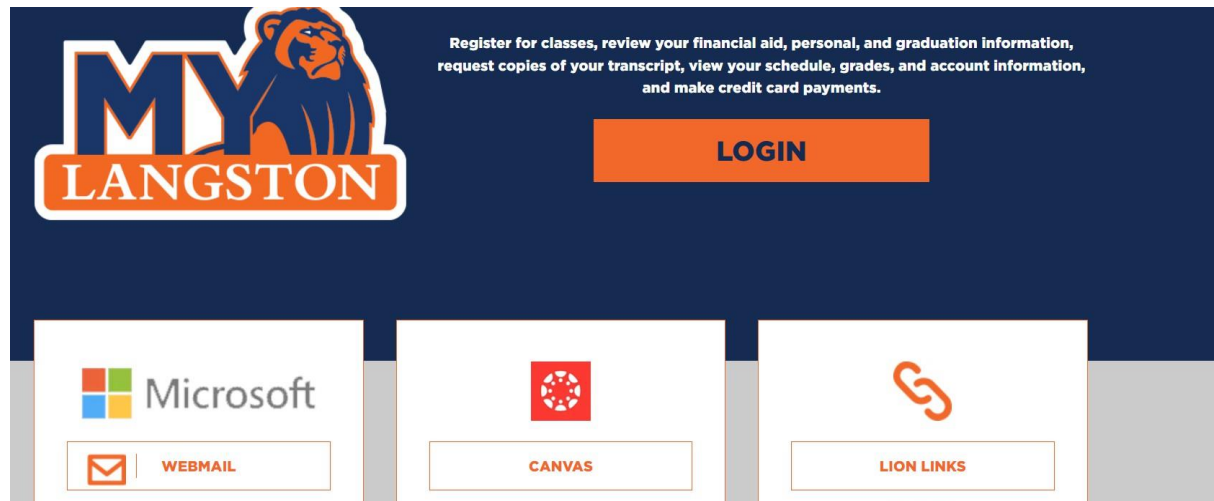

- Open your browser and type " <https://langston.edu/student-portals/> "

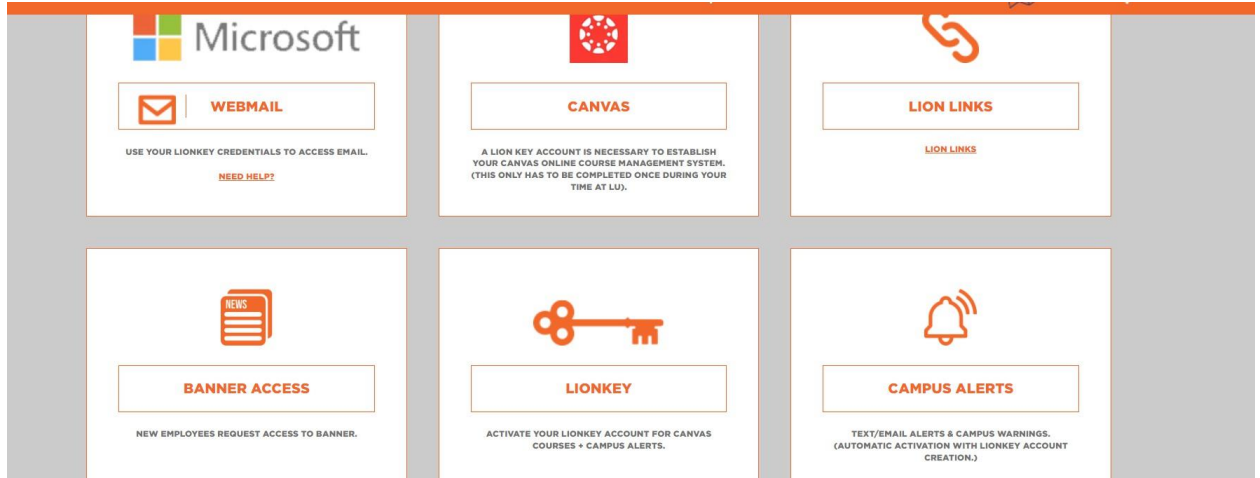

It will take you straight into the student portal

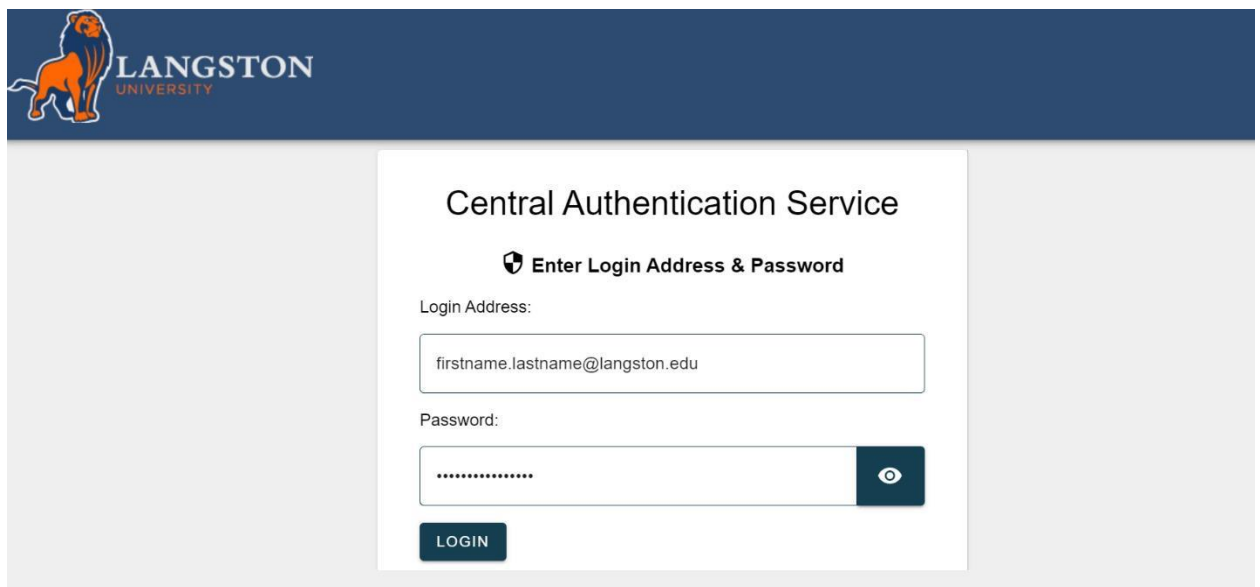

2. Scroll down and press "Lion Key"

Tip: This page will also have quick links that will take you directly to Canvas, email, lion links, lion key, and campus alerts.

3. Once you press "Lion Key," you will be directed to the Central Authentication Service page to log into your Langston email.

The Central Authentication Service page has a dark blue header with the Langston University logo. The main content area is white and contains the following elements: the title "Central Authentication Service", a shield icon followed by the text "Enter Login Address & Password", a "Login Address:" label above a text input field containing "firstname.lastname@langston.edu", a "Password:" label above a password input field with a toggle eye icon, and a dark blue "LOGIN" button at the bottom.

- Once you are logged in, you will be directed to the **Lion Key Portal**, your screen should look like this:
